

PRF80D (85 Quarts) dual zone

PRF100D (106 Quarts) dual zone

PRF125D (132 Quarts) dual zone

Whether on a day trip or major expedition, D series portable cooler/refrigerator can easily satisfy your food and beverages chilled, or frozen need. The benchtop freezers powered by LG compressor offers excellent cooling performance (-4°F). The freezer offers premium quality and innovative design, which is great for RVs, boats, campsites, fishing trips. All you need is either a standard household 110 Volt outlet or a 12 Volt power source, such as a vehicle battery. The fridge with handles is truly portable so you can take your fridge / freezer anywhere!

Feature

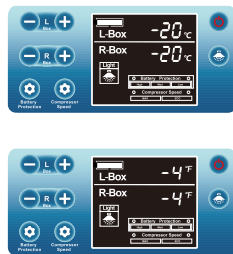

- ❄ Operates as a refrigerator or freezer with dual zone (2 in 1 design).
- ❄ LG compressor for superior cooling performance.
- ❄ Shockproof and durable design for handling rocky road.
- ❄ Three stage dynamic battery protection system prevents vehicle run out of battery.
- ❄ Car, home and outdoor versatile freezing (DC/AC).
- ❄ Removable wire storage baskets, protective foot pad.
- ❄ LED display control panel with an adjustable temperature control.
- ❄ Interior LED light for more easily retrieving your freezer's food in low light condition.
- ❄ Tough and solid outer casing.
- ❄ Reliable sealing technique, good insulation foam.
- ❄ Incline Operation up to 45° off level in short time.
